SUBJECT: Authorization to Extend an Existing Contract for Third Party Administration Services for Workers' Compensation Claims (F0506-102)

REPORT IN BRIEF

Approval is requested for a one-year extension of an existing contract with Gregory B. Bragg & Associates, Inc., of Roseville to provide third party workers' compensation claim administration services for the Department of Human Resources.

BACKGROUND

The City utilizes a State-licensed third party administrator (TPA) to manage workers' compensation claims of injured workers. The services provided by this firm consist of interpreting the labor code with respect to workers and advance benefits to injured workers as prescribed by the laws of the State of California. The Department of Human Resources is responsible for managing the contract for the third party administrator.

The current TPA, Gregory B. Bragg & Associates, Inc., was selected through a competitive proposal process; and the contract was awarded by Council on December 2, 2003 (RTC 03-420). The initial contract term was for eighteen months with an option to extend the contract for three additional one-year periods. On July 19, 2005, Council approved the first one-year extension of the contract (RTC 05-218).

DISCUSSION

Since inception of the contract, Bragg & Associates has provided quality customer service to the City. Bragg's management team and claims adjusters are committed to insuring that the City's injured workers receive appropriate treatment which has resulted in an overall reduction in time off work due to industrial injuries. Staff recommends that the City continue its contractual relationship with Bragg & Associates by extending the existing contract for the second of the three one-year extensions authorized by the original contract.

Under the terms of the contract, Bragg & Associates are compensated for their services at the rate of \$20,417 per month. In addition, there is an annual claims administration fee of \$5,000 for performing a variety of miscellaneous services.

FISCAL IMPACT

Cost to the City for the requested one-year extension will be \$250,004. Funds are available in the Workers' Compensation Operating Budget.

RECOMMENDATION

It is recommended that Council authorize a one-year extension of an existing contract with Gregory B. Bragg & Associates, in substantially the same form as the attached Agreement Amendment and in an amount not to exceed \$250,504 during the extension period, for third party workers' compensation claim administration services.
